5-10% of their body weight to avoid adverse effects on their spine and body. To ensure the wellbeing of students, it is important to implement a policy on limiting school bag weight.

- Revisit the homework policy to ensure it allows flexibility, such as asking teachers to give handouts or workbooks that can be used for homework assignments.
- Encourage the use of ergonomic school bags with individualized compartments to efficiently hold books and equipment.
- Encourage students to wear both shoulder straps and not sling a school bag over one shoulder.
- Encourage the use of wide, padded, adjustable school bag straps that fit the student's body.
- Provide students with adequate storage in line with health and safety standards.
- Raise student's awareness about school bags by using a hanging scale in the classrooms, allowing them to weigh their school bags to determine whether it is too heavy.

- Introduced weighing scale in students' entrance doors which allow children to check their bag weight and help them determine whether their bag weight is exceeding the limit.
- The Section Supervisors will be responsible for the effective implementation of the policy under the supervision of the Lead Supervisor and the Section Principal.

- Awareness to the parents regarding the policy and their responsibility to ensure the bag weight before they are sending their child to school.
